

B11009. UNMARRIED-PARTNER HOUSEHOLDS BY SEX OF PARTNER - Universe: HOUSEHOLDS

Data Set: 2005-2009 American Community Survey 5-Year Estimates

Survey: American Community Survey

NOTE. Although the American Community Survey (ACS) produces population, demographic and housing unit estimates, it does not produce estimates of the number of households. For information on confidentiality protection, sampling error, nonsampling error, and definitions, see Survey of the American Community Survey.

	Las Vegas city, Nevada	
	Estimate	Margin of Error (+/-)

Data are based on a sample and are subject to sampling variability. The degree of uncertainty for an estimate is measured by the margin of error. While the 2005-2009 American Community Survey (ACS) data generally reflect the November 2008 Office of Economic and Community Development (OEC) estimates of urban and rural population, housing units, and characteristics reflect boundaries of urban areas.
